2013

The KitchenAid Artisan range is strengthened : new items include toasters, a kettle, hand blenders and food processor.

**KitchenAid**

*Style icon for almost a century*

*With professionalism and style as its watchwords over more than 90 years, KitchenAid remains unmatched when it comes to quality and performance.*

# *Add colour to your cooking*

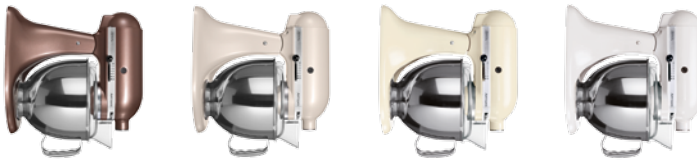

Imagine a world without colour. We shudder at the mere thought of it. For us, colour is life.

People love us for our colour, and we admire them for their desire to add a splash of glorious Grape to their kitchen (or Apple Cider… or Yellow Pepper). In fact, we secretly believe that anyone who chooses KitchenAid has innate joie de vivre, an extra zeal for life shown in their appreciation of every day appliances that are beautiful and exuberant.

Like you, these are the cooks that can't help but make the mundane mesmerising… adding a twist of vibrant orange zest to a milky rice pudding… throwing zingy green chili atop a blackened handmade flatbread… drawing drizzles of dark chocolate across a golden oatmeal biscuit… always adding a dash of amazing to their dish. Your creativity inspires us; your passion pushes us further. Which is why our palette of colours for 2013 is inspired by celebrations, occasions and gatherings during changing seasons.

Christmas and Easter, Valentine's Day and Halloween, Mother's Day, Father's Day, Summer, Autumn and Special Celebrations… these occasions have their own distinct mood, now captured in KitchenAid colours. Woven throughout each celebration is a deep association with food, providing the perfect opportunity to fill single days with singular moments.

You always make it yours. With personality and colour, you can make it magic.

# *White Christmas Palette*

Picture the stillness of a magical Christmas Eve, a carpet of glistening snow, tables laid with fine linens, rows of glowing candles. As the quiet of the holidays descends, we gather to celebrate this precious time of year. Elegant and efficient, pristine White takes centre stage amidst the preparations; the velvety tones of Almond Cream and Café Latte echo the season's delicious creations. Shimmering Apple Cider is reminiscent of the season's spices and glittering decorations. Christmas captured, year-round.

# *Valentine's Day Palette*

Go head over heels for the most romantic day of the year with our St Valentine's palette, in shades to get hearts racing. Reveal yourself to be the mystery admirer and show your colours with a gleaming Candy Apple: pure temptation, if you dare. Cool down the heat with Raspberry Ice, a delicious pop of metallic pink, or wear your passion proudly in gorgeous Empire Red, the classic colour of love. If this is the year to make a statement, what better way than with glossy Chrome, glittering like a precious diamond: just as symbolic, yet wholly original.

# *Easter Palette*

Our Easter palette sings with the mood of spring, embodying the fun of this festive time. Gardens become a playground for thrilling Easter hunts; splashes of Pink and Majestic Yellow are glimpsed among the green, and we revel in being outside under clear Ice Blue skies. These colours evoke the delicate shades of traditional blown and dyed eggs, hung from pretty Green Apple blossom branches: shades that seem newly hatched and will uplift any interior.

# *Father's Day Palette*

Strong and handsome, elegant and refined, this is a peek into father's world. Smart ties and polished shoes, his swift, smooth morning Espresso, the powerful energy of Electric Blue, this universe is resolutely sleek and masculine. As dynamic as a classic sports car, Brushed Nickel is the ultimate boy's toy.

# *Mother's Day Palette*

Mother's Day sees feminine pinks turn fruity, with plump, succulent shades that are vibrant and energetic. Cranberry and luscious Grape burst with juiciness and look good enough to eat, just like the sticky spoons and sweet treats of afternoons baking together. Gleaming invitingly like the shiny cookie cutters of childhood, Medallion Silver is quietly powerful, like a mother's reassuring, steely strength.

# *Summer Colour*

Rock 'n' roll on the radio, lazy days under endless skies, picnics by a glittering sea; Crystal Blue embodies a feel-good summer mood. This freshest of colours is a constant reminder of the relaxed season, a subtle hint of turquoise providing a nostalgic feel. Bring easy living into the kitchen and look forward to effortless entertaining.

CRYSTAL BLUE
5KSM150PSCL

# *Timeless Colour*

This creamy Pistachio green is a perennial favourite, bringing a sophisticated twist to any era, and set to be particularly fashionable for 2013. Just like this nutty delicacy, our new hue has Mediterranean origins, evoking smooth gelati and Vespa scooters or shuttered streets under a sultry sun. Pistachio is fresh and soft, reflecting a complex flavour that is both savory and sweet. We're going nuts for this serene green!

PISTACHIO
5KSM150PSPT

# *Autumn Palette*

Whilst nature puts on her daytime show of glory, the nights draw in, skies darken into indigo, and we instinctively retreat to the cosiness indoors. Bring the glow of the season inside with glorious Yellow Pepper or revel in the longer nights with Cobalt Blue. Juicy Boysenberry seems freshly picked from hedges heavy with fruit, evoking memory of inky fingers and berry picking, ready for a crisp home-baked pie.

# *Halloween Palette*

One of the world's oldest holidays, Halloween is a celebration of all that is magic and marvellous, casting a deliciously exciting glow over the early winter months. Celebrate the tradition of pumpkin carving with tangy Tangerine, or evoke the mysterious with glossy Onyx Black. Adding sparkle to the celebrations is Metallic Chrome, a shimmering soft grey to which we've added a sparkle of fairy dust.

# 6.9 L STAND MIXER

The KitchenAid 6.9 L Artisan Stand Mixer is the most powerful and robust Stand Mixer in its class*. Take advantage of its 1.3 horsepower engine and controlled strength; this truly is a champion among our Stand Mixers.

A 6.9 L capacity will empower cooks to achieve great culinary feats, handling large quantities rapidly and efficiently. Mix dough for 8 loaves of bread, 168 cookies, or churn 2 litres of whipped cream at a time. If you're passionate about cooking, the 6.9 L stand mixer offers endless possibilities. Discover the joys of thinking big.

* Horsepower is the peak output power of a motor, measured with a dynamometer, a machine laboratories routinely use to measure the mechanical power of motors. Wattage is the average electricity consumption of an electrical appliance over a period of time. Therefore, wattage measures the energy consumption of an appliance, but does not reflect its motor power. KitchenAid 6,9 L Artisan Stand Mixer has a 1.3 horsepower motor, and an electricity consumption declaration of 500 Watts. This robust motor, guided by its new advanced motor control board and combined with the all-metal, high precision gear assembly allows for a maximum transmission of power to the attachment , offering an exceptional mixing power in the bowl. Simply put, our new, highly efficient, special purpose motor delivers the power you need when you need it.

# STANDARD ACCESSORIES – 5KHB3581

### 3 BELL GUARDS

Protect the interchangeable bell blades when not in use.

### PAN GUARD

Snap the pan guard onto the interchangeable bell blades to protect your cookware during use.

### GRADUATED PITCHER WITH SPECIAL LID

1 L BPA-free pitcher with a convenient handle and no-splash lid.

### CHOPPER (600 ml)

Perfect for small chopping jobs, like herbs, nuts, and vegetables. Chopper includes a bowl, blade and chopper adapter. The chopper bowl has a non-slip base to prevent movement during the chopping process.

### WHISK

Use for whisking, emulsifying and aerating egg whites, mayonnaise, vinaigrette and mousse.

### STORAGE CASE

Keeps accessories organized and protected.

# WAFFLE BAKER

Very little compares to the flavour and wondrous odours of freshly-baked waffles. It takes you back in time – to Grandma's waffle afternoons – and in space – to the scent of vanilla and powder sugar, found wafting still in some streets of Brussels. Only some special blend of technology and art can repeat these experiences again and again, rolling them over your senses. This is what it can mean to use the Artisan Waffle Baker.

5KWB100
Artisan Waffle Baker

## FEATURES AND BENEFITS

**Finished in stainless steel and die-cast metal**
Robust, stable and durable

**Cool reach lids and handles integrated in a smooth, rounded design**
Safe use while making round waffles

**Non-stick waffle plates for making two waffles with deep-wells**
Easy to clean with ample room for fillings

**Double-sided, clamshell rotating baking unit with constant temperature**
Consistent baking and browning, guaranteeing the best results

**Digital timer and dial thermometer**
Ease of use, clear operating indications

# TOASTERS

Greeting the morning with golden toast is one of life's most enjoyable simple pleasures. Late at night, a melting savoury cheese sandwich can be an indulgent moment of sustenance. The Artisan Toaster truly offers the ultimate toasting experience : the Auto Sensor automatically lowers and lifts all types of toast before browning according to seven grades of "golden", counted down by an LED timer. Like a thoughtful friend, if you're called away, the Artisan Toaster will also keep your toast warm. If the kitchen is the heart of the home, our Artisan Toaster will be the heart of your kitchen.

# 1.5 L KETTLE

"Pop the kettle on". The act of stopping for a moment to chat around a comforting warm drink is a ritual that accompanies us through life. In a choice of colours and with a curvaceous, inviting design, the Dual Wall 1.5 L Kettle is also generous in features. Love tea? Adjust the temperature range to suit your infusions: nicely warm for delicate green tea or hot for coarse Assam; and cooks need never over-boil their bouillon!

The dual wall cavity keeps water hotter for longer and the kettle cooler to the touch. A pop of colour in the kitchen, the 1.5 L Kettle is always ready for the next conversation.

5KEK1522
